**WUOL**

I was supposed to attend summer camp abroad, but the uphill road on the way there served as my excuse to not go.

But, in exchange, my mom got me a nurse tutor.

お母さん

I couldn't go with my friends to the beach.

I didn't have any urge to go see fireworks with a class.

Even though it was summer vacation, I broke my foot.

I was so embarrassed that I did it — falling down the stairs, so I didn't tell anyone.

Starting today, I'll be your nurse tutor. In Kordos.

Let's start in 3000 afternoon.

Maga-  
san.

Maga-  
san.

—If only I was a cool guy, then that would be nice.

I'll turn this off.

Whoa, this is in here.

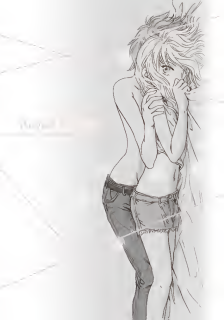

but at that  
time, I...

think  
I fell  
in love...

Now  
shall we  
study?

I thought of  
it afterwards.

Keep them  
from a girl

Yes,  
Kondou  
En.

But I also  
think it might be  
a blessing if you  
finally study your  
grades more  
seriously

Getting injured  
during your  
unofficial summer  
vacation is quite  
a disaster

My mom  
said a girl  
would be  
coming

I was  
wondering  
why a guy  
care

Someone  
"Kondou"  
was, if

Yeah

Four  
classmates  
being

When  
do you  
start from?

Have you  
gone to the  
beach? Do  
you start or  
anything?

Map-san  
I heard that  
you're having  
troubles with  
math.

Are you  
a college  
student?  
Are you also  
on summer  
vacation?

The second  
year of middle  
school is a  
very important  
time.

Map-  
san!

Am often  
mistaken  
for one.

My score  
is "badly  
as well"

I solved  
one of the  
problems  
I couldn't  
understand  
at all before.

Sensei's way of  
teaching made  
math easier to  
understand.

was similar to  
the high-pitched  
voice of a male  
vocalist who's  
in a band I like.

Sensei's low,  
womanly voice

...It  
made my  
heart beat  
a little bit  
faster.

Be sure  
you could get a  
good boyfriend

Mustn't  
be late and  
cheerful

Seemed to  
blushing  
again.

Was it that  
embarrassing  
to say?

Can  
you  
open?

See  
you later  
Sanae

already  
do

Must  
thank her  
properly

Perhaps  
that the  
"happy-  
friend" I'll  
get one  
day."

When I  
look at her  
up close, she  
really has a  
nice face...

Sanae,  
who's been  
right here,  
can't lose  
a better  
choice

At Kondou-san's  
just like I thought.

Wow

Wow

I'm looking  
forward to  
tomorrow  
(last night)

She's turned  
off her  
radio!

Could that  
be her? It's  
so late.

She must  
really like  
me, huh?

Kondou-san  
really is nice~

Wow

I'm kind  
of happy!

Oh, yes

It's like  
having a  
boyfriend.

This  
is nice.

I'm  
serious

Wow I  
added a  
heart!

Good  
night~!

I'm  
looking  
forward  
to tomorrow  
and the future

But—I  
wanted to  
wear a  
garden

Genji Hearing  
a girl on one  
foot and a sword  
on the other  
is absurd

If you  
fall and get  
hurt again

You  
narrow-  
ward

We  
can  
look  
them

Genji  
Lungs like  
that

Eye

The fireworks  
will start soon

Ek—

Stop  
making

Not at  
all with

Heard me  
singing a song  
and calling you  
my boyfriend

Ek!

Am sorry,  
am you  
angry?

Am not  
angry

Genji

Is that  
from a rock-  
band? Do you  
like that?

Yeah,  
thought  
pretty  
cool!

I just  
can't  
read  
you!

I  
Remember  
last  
and  
winter  
in  
the  
night  
day!

It's  
really

cute  
you

I  
Remember  
why  
you  
married  
to  
your  
sister...

In  
the  
darkness...

I  
Remember  
Sister's  
secret  
side...

and  
my  
heart  
was  
beating  
there...

That, and how Koudou-senpai's slightly nervous face was cute...

Even in the brightly-lit train.

The image of the fireworks exploding in the darkness was still playing in my eyes.

No, it's no big deal.

Yes, I'll call a taxi and send her home tomorrow.

No, in fact.

No.

Her foot is fine.

Thank you, but you wouldn't do it yourself, Higuchi-san?

Thanks for calling home for me~!

Definitely that, etc.

Sensei.

Definitely.

It gets a lot dryer.

Umm, I go take my shower now.

Higuchi-san.

Oh, then.

Hey, stop saying "san"~! Either don't use any honorifics, or call me Higuchi-dan!

Can we  
go to sleep  
while holding  
hands?

Muga-  
chan

Yeah.

Y-

Her lips  
are soft.

(Aww)

Muga-chan.  
I like you.

Her  
palm that I  
regained  
countless  
times.

I will  
find you,  
Muga-Chan

Karabasa-  
maru? Is kind  
warmth.

Even though  
there's a 3-year  
gap between us,  
and I thought I  
couldn't.

I've always  
thought you  
were safe.

Ever  
since we  
first met.

but I  
love you.

So  
then  
why

I love you,  
My darling.

My parents  
take you  
with me and  
I want you  
to stay with  
me.

When  
September  
comes, your  
feet will feel  
and you'll be  
able to go  
to school.

When that  
time comes, I  
thought I'd be  
able to forget  
about you.

Cuddling  
and going to  
sleep with my  
beloved Kori-  
dou-street...  
I should really  
be happy

do I suddenly  
feel so alone ...

But, for  
having that  
I will give  
Hugs don't

work  
at home.

It's  
bad.

Oh, if  
you don't  
want to,  
there's fine  
for sorry.

Can I  
hug you?

So...  
I like  
you

But, for  
really bad  
with things  
that other  
people don't  
do

I thought  
not being  
anxious would  
be easier

...anxious  
fearful  
feeling.

...what  
a strong.

I love  
you.

The fact that

Kamijou seemed to be a monster

I hadn't paid any attention to it before, but ever since we kissed, it's been worrying me.

It was hard for me to look her in the eyes.

Her slender figure

made slight movements.

He was actually Fushimi's class!

It was really interesting and...

Is he a high school student? A college student?

Did you hear that already?

No way!

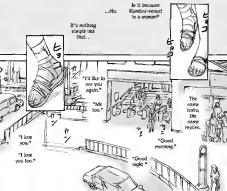

Oh, the looks are amazing!

It's okay for the most part, but still a bit of a burden though.

That is, your first-class display room?

Hey, Mito was the person you were with at the fireworks display, right? You're boyfriend?

What is  
"love"?

I want
